

DIY ORNAMENTS

A simple clay craft with a classic holiday look!

SUPPLIES

Air-dry or oven-bake clay

Printed napkins

Star cookie cutter

Circle cookie cutter

Mod Podge

Gold paint marker

Paint brush

Hanging cord or ribbon

1

ROLL & CUT

Roll clay to about ¼ inch thick and cut out your shapes (stars and circles).

2

BAKE OR LET DRY

Follow package instructions to bake or air-dry the clay. Allow to cool completely.

3

ADD THE NAPKIN

Separate the top printed layer of the napkin. Trim to fit and brush on a thin layer of Mod Podge. Smooth the napkin onto the ornament and add another light coat on top.

4

ADD GOLD EDGES

Use a gold paint marker to outline the edges for a finished look.

5

SEAL & FINISH

Brush on a coat of clear glazg of Mod Podge to protect. Once dry, add a hanging cord or ribbon.
